**Expert Diana Christen Hosts First Forum at TrainingForums.org**

[TrainingForums.org](http://TrainingForums.org) has launched the first of twelve live, interactive community forums to help facilitate discussion and information exchange and build networks for services providers working with survivors of domestic violence. Each forum discussion is hosted by a national leading expert and will address a timely topic to inform and engage service providers, encourage peer dialogue, promote new ideas, expand knowledge, and build professional networking.

The first forum is entitled "[Trauma-Informed Environments for the Domestic Violence Survivor -Focus on Shelters](#)" and is hosted by Diana Christen, Executive Director of the Family Life Center (a domestic and sexual violence center and emergency shelter located in Bunnell, Florida). To be a part of this dynamic forum, simply log in to <http://trainingforums.org> and sign up! You can join in on the discussion by asking questions, offering suggestions, and providing feedback. Diana will be responding to your inquiries and comments over the next few weeks.

We welcome your comments and feedback and don't forget to suggest important topics for future forums! Send us an email at [TrainingForums@witnessjustice.org](mailto:TrainingForums@witnessjustice.org).
