

Run The Marine Corps Marathon! Slots Still Available on WJ's Team Heal Trauma

Registration Closes on August 1, 2008

[Witness Justice's](#) charity running team, [Team Heal Trauma](#), is participating in the 33rd Annual Marine Corps Marathon. Our team's primary purpose is to draw attention to the pervasiveness and impact of psychological trauma that stems from violence, abuse, neglect, disaster, terrorism, and war.

This marathon season we are spotlighting veteran issues - especially as they relate to combat trauma and reconnecting with the family after combat - in addition to the other trauma provoking situations in which we offer advocacy and support.

You can help support those who have been affected by trauma, including our nations armed forces and their families, by [joining](#) Team Heal Trauma as a runner, volunteer, or sponsor to demonstrate your commitment in advocating for positive change today!
