Trauma Expert Helga West to Present Training Session

Trauma 101 - Trauma and Trauma Informed Care

Tuesday, June 24, 2008 2-3 pm EST

Helga West, President & CEO of Witness Justice, will be presenting a training session on "Trauma 101- Trauma and Trauma Informed Care" This introductory session will provide a basic understanding of the nature and impact of trauma and trauma-informed care and is geared for service providers of all types. The session aims to help service providers recognize trauma and provide an understanding of how and why trauma is a common experience for survivors of violence, abuse, neglect, disaster, terrorism, and war. Further, it will help service providers develop a trauma informed approach to working with survivors. West, an expert on trauma and trauma-informed care, serves on the U.S. Department of Health and Human Services' National Center for Trauma Informed Care. Through Witness Justice, West provides trauma training to government agencies,

service providers, and others across the country.
